### REMARKS

Reconsideration of this application is respectfully requested in view of the foregoing amendment and the following remarks.

Applicants thank the Examiner for the consideration given the present application to date. Claims 1-4 were allowed in the communication mailed November 14, 2006. Claims 5-6 were previously withdrawn. With this Request for Continued Examination, Applicants add new claims 7-32 as set forth above. The basis for the amended claims may be found throughout the specification, drawings and claims of the original application. Also filed herewith is an Information Disclosure Statement for the Examiner's review. Prompt examination on the merits is respectfully requested.

Should the Examiner have any questions or determine that any further action is desirable to place this application in even better condition for issue, the Examiner is encouraged to telephone applicants' undersigned representative at the number listed below.
